

Ruhr-Universität Bochum
Universitätsstraße 150
44801 Bochum

Travel Recommendations

To get from Bochum Central Station to the University take the underground line U35 (direction *Bochum Hustadt*) to the stop “Ruhr-Universität”. The U35 runs at five-minute intervals on weekdays and takes just ten minutes to get to the university.

Long-Distance & Air-Travelers

Four airports are within reasonable travel distance of the Ruhr-Universität: Dortmund, Münster/Osnabrück, Cologne/Bonn and Düsseldorf. We recommend travel to Düsseldorf airport as there are direct connections to Bochum Central Station up to eight times per hour, and the journey only takes about half an hour.

Car Drivers

The quickest route for motorists is via the motorway junction Bochum/Witten, where the A43 and A44 meet. Take the exit Bochum-Querenburg, follow the signs to the “Ruhr-Universität” and then the (electronic) information boards. Free parking is sign posted.
