

How to travel to Zemos from Bochum Main Station (Universitätsstraße 150, Bochum)

From Bochum Main Station:

- 1) Take the underground U35 (in the direction "Hustadt") to "Ruhr-Universität" (ca. 10min, 7 stops).

After arriving at "Ruhr-University":

- 2) Cross the bridge to the right hand side and walk down the campus until you reach the green colored "N" buildings.
- 3) Walk past 4 buildings (NA, NB, NC, ND).
- 4) After Building ND, the fourth in the row, take the stairs downward to the street. If necessary, take stairs down beforehand and continue walking straight along the buildings.
- 5) At the very end, Zemos is right in front of you. Go around the last corner to find the building's main entrance.
