

## Zemos to Q-West:

We apologize for a rather complex way due to a huge construction site at NA.

1. Leave Zemos and follow Oststr. northway, crossing N-Nordstr.
2. Turn left into I-Südstr. and follow it, crossing ID, IC, IB and IA to your right. You will find “ZFNO Treppenhause West”, a blue building, right after IA.
3. Enter this building and go upstairs 3 floors (crossing doors that say “Ebene 01” and “Ebene 00”). On the third floor there is a door without text that leads you outside.
4. Go straight ahead towards the trees, crossing Audimax on your left. You should see a huge sign saying “M Medizin” ahead.
5. Take any stairs near that sign down and follow the path extending right under the “M Medizin” sign towards an area filled with grass and trees and some abstract sculptures on the left. The Q-West is right ahead, the Restaurant-like building decorated with a Q with white chairs to sit outside.

If you get lost at any point throughout this way, try to spot Audimax, the campus’ center. You should be able to guess your position on campus by looking at the compass app on your phone (Note that the map is turned by appr. 30 degree).
